

Hello

I know I sound like a broken record but what happened to August? I have not flown once the whole month of August but I guess I have no one to blame but me. I hope September will be better, summer goes fast. I hope you all have been out flying.

Sorry I missed the last meeting but I appreciate Vice President Larry backing me up.

Not a bunch going on but we will have our fun Fly and swap meet September 19, which I am Looking forward to. I hope you can all make it out. We will go over some ideas next meeting.

Keep flying when you can and hoping for a long fall.

See you at the meeting  
Destry

### **Upcoming Events:**

September:

8, Tuesday 7:00 PM: Meeting at field. Come early to fly, stay late for more flying!

19, Saturday 9:00 AM: Fun Fly and Swap Meet.

27, Sunday, Float Fly on Hauser Lake (see info next page).

Every Tuesday, including meeting nights are also set aside for pilot training.

See <https://www.gallatineagles.org/flight-instruction> for all the details.

**Float Fly**

Hello sports fans, I spoke to Travis Elbert with the Helena Flying Tigers at their last float fly and he mentioned they were kicking around the idea of another float fly this year!

For those who have not flown with the Helena club on Hauser Lake you're missing out on a fantastic event! I just heard from Travis and they have set a date for another float fly, Sunday, September 27 at the Clarks Bay campground on Hauser Lake. In the past this was a non-sanctioned event, no flying fee and a \$5.00 lunch! If you go bring some chairs, shade and a light lunch, just in case they are not serving! If you need additional info feel free to call at 771-8506 or Travis Elbert in Helena. I highly recommend this event and hope to see you on the 27th!

Big Sky R/C Modelers

**Gallatin Eagles Flying Site Restrictions**

Observe the restricted areas marked in yellow with stripes. These are No-Fly areas. The ones to the east and west ends of our field are to prevent overflight into neighboring properties. The area around our pit area/parking lot is for everyone's safety. The area over the Sweat Lodge (cross-hatched lines) is to be observed anytime people are over there. It's also not advisable to fly across Kelly Canyon Rd.

### Hours of Operation

- There is **no ordinance** for **electric** powered aircraft. Fly when you want.
- **Monday** through **Friday** there will be no flying **before 7:30 AM**.
- **Monday** through **Friday (Summer)** there will be no flying **after 9:00 P.M.** Summer is defined as May-August.
- **Monday** through **Friday (Winter)** there will be no flying **after sunset**. Winter is defined as September-April.
- On **Saturday** and **Sunday** (all year) there will be no flying **before 9:00 A.M.**
- On **Saturday** and **Sunday** there will be no flying **after 9:00 P.M.**
- **Modified exhaust** systems i.e. mouse can mufflers, non-muffled tuned pipes, and open exhaust systems will **only be permitted between** the hours of **9:00 A.M.** and **6:00 P.M. Monday** through **Sunday**. If your plane can pass the AMA's 90 db @ 9 foot rule, you will be allowed to fly within the stock exhaust times.
