

Gallatin Eagles

RC FLYING CLUB

Hello

It just feels like last weekend we had our New Year's Day fun fly and now January is gone. That is ok with me, one day closer to spring! Our Fun Fly went very well I think, we had coffee, brownies from Les and Cindi, and Westberg Chili (not burned)! I can't tell you how nice it was to be able to plug everything in and have the heat on. So very proud of what we have and what we have accomplished. At one time during the day I bet we had twenty people or so and we made it till around 2 pm. Thank you for all were able to come out and be a part of it, and for the rest of you, see you next year! Don't miss it. Winter flying has been great I hope you have been out enjoying the field and the heated clubhouse. I have been checking and the parking lot has been plowed so we can get to the club house. As far as the power bill I just wanted to let you know it has been running around \$78 a month the last two months. I assume it will go down as it warms up or we may go budget billing which puts it around \$50 a month like we have planned. just a friendly reminder don't forget to pay your yearly dues we can keep our checkbook full.

I apologize, I canceled the January meeting last minute, I was not feeling good and I found out there were quite a few people feeling the same way so I wanted to play it safe. We will try again in February for a meeting at the clubhouse, stay healthy! Next meeting, we will talk about upcoming events and lock down some dates.

work on your winter builds, see you at the meeting.

Destry

Larry's Log,

The club Lending Library is now open for donations. There is a bookcase in the clubhouse that will take books and videos. Airplane and flying stuff only please. This library uses the "take one – leave one" philosophy. Please return completed materials so others can use them. Hopefully we will have a nice resource to enjoy.

I have noticed there are lots of ski tracks on our runway. Keep on Flying!!

Larry

Gallatin Eagles Upcoming Events:

February:

8, Tuesday, 7:15 PM, Meeting at the field in our insulated, heated and lighted clubhouse!

For more information on club events see our website: gallatineagles.org/calendar

Highlights from New Years Day:

Photos from Destry and Stan

Paul flies one of his airplanes with skis.

A full parking lot, and warm club house!

One of Jerry's unusual airplanes!
